Report on the Israeli Colonization Activities in the West Bank & the Gaza Strip

Volume 64, November 2003 Issue

<http://www.arij.org>

Jerusalem

- The IOF demolished the house of Muhammad Abu Hamdan in Hizma town to the north of Jerusalem conducted under the pretext of security reasons. Quds (Nov 1, 2003).
- According to the appeal presented by Sharefa family in the old city of Jerusalem the Jerusalem court center issued an order which abolishes the demolition of the family house. Quds (Nov 7, 2003).
- Israel is going to construct 70km length of Segregation Wall which begins from El Kana colony to Jerusalem city, next week Quds (Nov 10, 2003).
- The Municipality of Jerusalem handed 9 families military orders to evacuate their houses under the pretext that these houses present a threat on the inhabitants. Houses are inhabited by more than 100 dwellers. Quds (Nov 10, 2003).
- According to the plan prepared by the defense establishment, the Segregation Wall path east of Jerusalem will include a wide swath of territory extending to the Alon Road and cliffs of Wadi Kelt. In addition to Ma'ale Adumim; the fence will encompass the Mishor Adumim area, the Kfar Adumim colony and the Palestinian villages such as Hizma and 'Anata. Not forgetting to mention that the latest plan calls for a "Minimalist" path which leaves the Palestinian village of Ar Ram east of the fence. According to the current plan the fence will approach Ar Ram, near the Atarot airport and Qalandiya refugee camp. It will then turn east, surrounding Geva Binyamin colony and continue as far as the cliffs of Wadi Kelt and the Alon Road. At the Samaritan junction the fence will turn southwest circling Ma'ale

- Adumim and linking up with the existing fence to the north and east of Abu Dis and Al 'Azzariya. Haaretz daily+ Quds+ Wafa (Nov 11, 2003).
- Residents of Mekhmas village northeast of Jerusalem handed the Israeli Supreme Court an appeal for the evacuation of Neve Iriz outpost constructed 3 years ago on their 160 dunums of lands, at the same time landlords were hindered to reach their thousands of dunums of land. Wafa (Nov 14, 2003).
