- Extensive military activities done by the Israeli Army took place east of Tubas, causing panic to the Palestinian residents living in the area of Sou'ud wells. Wafa (Nov 27, 2007).

Jericho

- The IOF notified the resident Najeh Odeh Ka'abneh in Al Jeftlik town north of Jericho city of their intention to demolish his house under the pretext of being built without licenses. Wafa (Nov 7, 2007).

Qalqiliya

- The Israeli Army broke into the Palestinian Youth Center in 'Azzun town in Qalqiliya and caused sever damages and loses. Quds (Nov 4, 2007).
- The Israeli Occupation Forces set up a temporary checkpoint at the eastern Entrance of Qalqiliya city and hindered cars with yellow plates from entering the city. The IOF also continued closing the northern entrance of 'Azzun village east of Qalqiliya city and hindered vehicular and pedestrian movement into and out of the village. Wafa (Nov 13, 2007).
- The IOF staged into the village of Immatin, east of Qalqiliya city, raided and searched a house belonging to Amin Hasan Sawan. PCHRGAZA (Nov 13, 2007).
- The Israeli military jeeps and soldiers staged into Azzun High School yard in Qalqiliya city. The soldiers drove around the school grounds, interrupting lessons and waving their guns at teachers and students. The IOF caused a state of fear among students and staff as well. IMECE & Maan news (Nov 18, 2007).

- Settlers of Kedumim refused to vacate a piece of land (55 dunums area) which they occupied some time ago upon court's order in Kafr Qaddum village east of Qalqiliya city. The land belongs originally to resident Badrieh Abdel Ghani 'Amer. The settlers also prevented residents of Kafr Qaddum from harvesting their Olive groves located close to the settlement and are imposing severe restrictions on residents of the village who are trying to access their lands. Quds & Wafa (Nov 18, 2007).
- The Israeli bulldozers and troops demolished the under-construction house of Rabi Jaber in Nofel Hamlet southeast Qalqiliya city. The IOF closed the road connecting Qalqiliya and Nablus Governorates and hindered pedestrian movement on the road. Wafa (Nov 20, 2007).
- The Israeli settlers closed the road parallel to Al Fandaq village in Qalqiliya. Quds (Nov 21, 2007).
- The Israeli settlers manning 'Azun checkpoint and gate prevented landowners from accessing seedlings and manure to their agricultural lands behind the Segregation Wall path in Qalqiliya. Wafa (Nov 28, 2007).

Bethlehem:

- The Israeli Forces demolished two under construction houses in Al Furdies village southeast of Bethlehem city claiming that they were built without proper licenses:

1- A 130-square-meter house belonging to Daoud Hamada Al-Teneh;

2-A 140-square-meter, 2-storey house belonging to Nasser Mousa Al-Teneh. PCHRGAZA & Wafa (Nov 8, 2007).

- The Israeli Minister of Tourism Isaac Herzog announced his willing to construct new terminal between Bethlehem and Jerusalem cities in an attempt to ease the access of the pilgrims to the city of Bethlehem. Quds (Nov 8, 2007).
- The IOF moved into Beit Jala city north of Bethlehem, raided and searched a house belonging to 'Abdullah Mahmoud Sbaih. PCHRGAZA (Nov 9, 2007).

- The IOF moved into Al-'Azza refugee camp, north of Bethlehem city, raided and searched a house belonging to the family of 'Emad Ibrahim Al-Nashash. PCHRGAZA (Nov 9, 2007).
- The Israeli bulldozers razed agricultural lands belonging to residents of Al Ma'sara village south of Bethlehem city to erect a bypass road that will lead to the Israeli settlement of Efrat located west of the Village. Ten dunums of land were razed for this purpose. Wafa (Nov 11, 2007).
- The Israeli forces staged into the Industrial zone in Beit Jala city north of Bethlehem city and carried out an intensive search operation. Wafa (Nov 14, 2007).
- The Israeli bulldozers staged into Khallet Al Samak west of Al Walajeh village northwest of Bethlehem city, demolished a 60 meters square poultry farm and razed a one kilometer road that links Khallet Al Samak with the new school in the village. Wafa (Nov 18, 2007).
- The Israeli bulldozers demolished a poultry farm and barracks in Al Jab'a village southwest of Bethlehem city owned by Muhammad and Munir Ahmad Muhammad Al Tous. The 250 meters square was built 6 years ago and is considered the only source of income to the two families and was demolished under the pretext of not owning proper licensing documents. The demolishing process caused losses also to the electricity, water and telephone networks. Al Quds (Nov 20, 2007).
- The IOF prevented Palestinian farmers in Beit Jala city from harvesting their Olive trees in the area close to Gilo settlements for not having proper permits to access the lands. Al Quds (Nov 20, 2007).
- In a report issued by Ma'an development center showed that the Segregation Wall penetrated deep inside Bethlehem governorate by 10 kilometers and swallowed more than 73 thousand dunums and put almost 19 thousand Palestinians in enclaves. The report added that the construction of the Segregation Wall at Rachel's Tomb area has caused a complete paralysis to the area where 659 dunums were confiscated from the northern Bethlehem city where the tomb and the border crossing are located; in addition, the Israeli policies in the area have affected the economical situation in the city where less number of tourists are visiting

the area comparing to last years, and less number of stores are operating. Al Quds (Nov 20, 2007).

- The IOF broke into the house of Muhammad Al 'Azza from Al 'Azza refuge camp, north of Bethlehem city, bombed the stairs leading to his house and caused damaged to the properties and destroyed his car. Al Quds (Nov 20, 2007).
- The IOF handed military warnings to seven owners to stop constructing their houses in Umm Rukba area in Al Khadr village south of Bethlehem city under the pretext of being built without licenses and of being an obstacle to the wall's construction. Houses belong to: Mariam 'Abed Salah (110 m²), Kalthum Ahmad Salah (250 m²), Maha Nu'man Salah (550 m²), Omar Saleh Salah, Barakat Tah Salah (100 m²) and Rizq 'Abed El Karim Salah (60 m²). In addition the IOF demolished water well owned by 'Atta Yousif Mahmud and notified Ibrahim Muhammad Sbeih, Omar Mahmud Sbeih and Badr 'Ali Saleh of their intention to demolish their wells. Wafa (Nov 21, 2007) .

Others

- The Israeli settlers and for the forth time tried to construct the Shuvt 'Ami outpost near Kedumim settlement north of the West Bank. Quds (Nov 5, 2007).
- The Israeli Ministry of Interior demolished two houses in the unrecognized village of Beir AL Hamam in the Negev which belong to Omar Jabr Abu 'Asa and Salameh Hassan Abu 'Asa. Wafa (Nov 7, 2007).
- According to a report issued by the Israeli Peace now movement assured that expansion activities are taking place in 34 Israeli outposts and in 88 settlements in the West Bank of which huge expansions are taken in Bittar Illit, Giv'at Zeev and Ma'ale Adumim. Quds (Nov 8, 2007).
- The Israeli Forces served demolition orders to 3 people from Um Al Fahem town, 3 others in 'Aara village, in addition to Dar Al Hanoun Village and Al Burj Park inside the 1949 Green Line area. Wafa (NOV 12, 2007).

- The Israeli Authorities demolished four houses in different areas inside the 1948 lands. Two houses belong to Salameh Hassan An Nabari and Sulaiman Salman Abu Judeh from the unrecognized village of Tal 'Arad, The house of Musa Ad Daghaymeh east of the unrecognized village of Kasiefah and the fourth house belongs to Salameh Abu Joudeh from the unrecognized village of Al Za'roura. Wafa (Nov 15, 2007).
- The Israeli bulldozers of the Israeli Ministry of Interior razed a 50 m² portion of land of the road leading to the unrecognized village of Dar Al Hanoun in Al Muthallath area inside the 1949 Lands, inside the Israeli Border. It is worth mentioning that the destroyed portion of road poses no danger or causes no harm to anyone. Wafa (Nov 15, 2007).
- Israel will announce a freeze on settlement construction prior to the Annapolis conference, and will also declare its willingness to dismantle illegal West Bank settlement outposts. Haaretz (Nov 14, 2007).
- In an article published by the Israeli daily newspaper Yedo'ot Ahronot regarding the border crossings set between Israel and the Palestinian Territory, 30 Border crossings exist between the West Bank and Israel, out of which 11 are under construction and are going to be for the explicit use of Palestinian, 13 borders are going to be for the explicit use of Israeli settlers living in Settlements inside the West Bank; while the remaining six borders are for trade purposes (trade passages). About 30 thousand Palestinians and 700 trucks pass daily through these borders and the number of Palestinians accessing the borders is expected to rise to 50 thousand once the construction of the borders is completed. The cost of constructing these 30 crossings is expected to reach 2 Milliard NIS. Al Quds (Nov 16, 2007).
- A report Issued by Machsom Watch showed that only two of the 24 roadblocks Israel removed recently were in fact removed; many never existed to begin with. The report contradicts the Israeli Defense Minister Ehud Barak declarations to the U.S. Secretary of State Condoleezza Rice that Israel had removed 24 West Bank roadblocks in order to ease mobility for ordinary Palestinians. However, the report concludes the following:
 1. While the army reported removing 11 dirt roadblocks around Hebron, most of them never existed to begin with.

2. Three dirt roadblocks near Salfit also never existed; the same is true of two roadblocks between Al-Abed and Anabta, near Tulkarem.
 3. The checkpoint near Herodion, which was also on the list, was actually removed two years ago.
 4. At the Jit Junction near Kedumim, two roadblocks were supposedly removed to allow pedestrian (but not vehicular) traffic through the junction pedestrian traffic is still not being permitted. Haaretz (Nov 17, 2007).
- In a report issued by the UN Office for the Coordination of Humanitarian Affairs, only 18 percent of some 30,000 West Bank farmers who used to work in the lands cut off by Israel's Segregation Wall now have Israeli permits to access their fields. The report by looked at 15 communities with about 10,000 residents trapped between the fence and Israel, and at 52 communities with 220,000 residents on the Palestinian side of the divider. Those villages in enclave require permanent residency permits, while those on the east side of the wall need Israeli-issued visitors permit to reach lands or visit family in the enclosed communities. The report also showed that Sixty-seven gates are built into the 200 kilometer stretch of wall. Of those, 19 are open daily to those with permits, but are closed at night, while another 19 are open during special harvest seasons, or weekly. Haaretz (Nov 17, 2007).
 - Anglo Saxson real Estate offered homes for sale in Several Israeli Settlements in the West Bank in an exposition in London. The expo entitled "The Israeli Property Exhibition" featured real estate property from various parts of Isral including the illegal Israeli settlements in the West Bank. The company listed 67 new residential housing units in Ma'ale Adumim and 6 in Meccabim for sale. This exposition is the second of its kind in a two months period as another exposition was held last month in North London at Finchley Synagogue during which properties in Israeli settlements in the West Bank were also offered for sale. IMECE (Nov 17, 2007).
 - Israeli Prime Minister Ehud announced to freeze all settlement construction and remove dozens of unauthorized settlement outposts built since 2001. Haaretz (Nov 19, 2007).

- The Israeli authorities handed out residents of Al Rashaydeh tribe in Fasayel Area in the Jordan Valley 3 orders to ten families to evacuate their barracks and barns and demolish them under the pretext that the lands they occupy are state lands. It is worth mentioning that the families who received military orders own more than 1500 sheep and are considered the only source of income to these families. Al Quds (Nov 20, 2007).
- In a report issued by the Jerusalem center for legal assistance showed that the Israeli authorities are escalating their actions against the Bedouins in the West Bank, starting from Zanuta Hamlet near Yatta town south of Hebron city, Al Saray'a tribe in Abu City and Ar Rashayda tribe in Fasayel area in the Jordan Valley. The three communities are a home to almost 1500 people and received tens of demolishing orders for their tents and barracks. Al Quds (Nov 20, 2007).
- Just hours after announcing to the international community that Israel was committed to the 'Roadmap Plan' for peace and would agree to freeze settlement activity on occupied Palestinian land, Israeli Prime Minister Ehud Olmert made his Cabinet a very different promise in which he wouldn't stifle settlement activities indicating that he does not see a freeze on settlement activity as part of Israel's obligations under the Road Map plan. IMECE (Nov 20, 2007).
- In the settlement of Efrat , right- wing activists pressed on with their plans to build eight outposts over the upcoming Hanukka holiday in December, one for each of the day festival. They also plan to strengthen two outposts outside of Kedumim and alon Moreh. In addition, the activists plan to set out for three new sites outside of Kocahv Hashahar, Beit El and in the contested E1 area in Ma'aleh Adumim. Jpost (Nov 20, 2007).
- The Israeli bulldozers demolished a house in Wadi Al Naskh area near 'Abda south of the Negev under the pretext of being unlicensed and forced another two owners to demolish their houses by their hands for the same purpose. The three houses were owned by Al Remakh family. Wafa (Nov 21, 2007)
